# 2017 Year-End Road Map

Join the SET Team as we finish out the year strong!

## Coffee with Kate

In order to offer greater flexibility for in-person support and training, Kate will be hosting coffee hours from 9 - 10:30 AM on the first and third Wednesday of each month. Bring your questions and laptop to collaborate with Kate. Plenty of coffee (and tea) will be available.

## Dashboards

Christmas has come early to the System eComm Team! Custom metric dashboards are here and ready to analyze! Schedule time to meet with Kate and review your dashboard and learn about how to leverage the insights it gives. You can also request additional charts or dashboards.

## Quarterly User Group Meeting

Beginning this fall, user group meetings will move from a monthly to a quarterly occurrence. These meetings will offer a deep dive into all three applications of the eComm platform and will contain hands-on training with team networking. You won't want to miss it!
