Welcome to Cognos 11.1.7 [1]

October 27, 2020 by Sarju Khadka [2]

CU is now running Cognos 11.1.7 in production. Many thanks to UIS/IRM's Lisa Damboise and her team for doing so much to ensure a smooth production upgrade. Also, thank you to OUC's Finance team for testing and troubleshooting.

While you will notice some minor cosmetic differences between Cognos 11.1.5 and Cognos 11.1.7 (see earlier post [3]), there should be no change to how your m-Fin reports look and function. If you find something is not working as it should, please contact FinProHelp [4].
