New Colorado Motor Vehicle Rental Fee [1]

January 14, 2025 by Staff [2]

With the passing of Senate Bill 24-184 [3], Colorado is now charging an additional $3.00 per day on motor vehicle daily rentals, bringing the total of state fees to $5.23 per day. This new “Congestion Impact Fee” is collected by rental car agencies for applicable rentals, and may be added to the final rental receipt under more general entries like “State Surcharge” or “Motor Vehicle Daily Rental.” This fee is only applicable for rentals in the State of Colorado. More information on daily rental fees on motor vehicles assessed by the state can be found here [4].
