CU-Data: Calculating Your Bottom Line [1]

The purpose of the CU-Data: Calculating Your Bottom Line Course is to provide participants with an overview of the CU-Data m-Fin reports (in the Cognos Financial Reporting System) that display "bottom line" balances, and how these balances are calculated, distinguished by fund type.

Program Level: Basic

Prerequisites: None

Advanced Preparation: N/A

Instructional Method: Group-Internet Based

Instructor: Sarju Khadka [2]; Fallou Thiobane [3]

Recommended CPE Credit: 1.0 Hours

Field of Study: Accounting (Governmental)

Course Objectives:

At the end of the course, participants will be able to:

- Identify the CU-Data m-Fin reports that display a bottom-line calculation;
- Comfortably navigate the CU-Data system and run reports; and,
- Describe how the bottom-line is calculated for commonly used fund types.

Course Developer: Sarju Khadka [2]

Course Reviewer: Kristina Mendez [4] - April 2026

Program Policies [5]

NASBA Statement

The University of Colorado is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be submitted to the National Registry of CPE Sponsors through its website: www.learningmarket.org [6].
