CU I&E: We're Reviewing New Submissions [1]

March 12, 2025

There are some interesting projects being submitted to the CU Innovation & Efficiency (CU I&E) Awards Program!

We're currently reviewing the latest submissions and plan to publish them on our website next week.

Make **your department** part of the next publication!

Tell us what you've done to improve communication, customer service, or other business processes for your team. We especially want to hear from those of you who've gone outside the scope of your usual job duties to make things work better at CU.

Your story can inspire other employees to take a new look at their departmental procedures. And it may even win you a cash prize.

Learn more on our CU I&E Awards Program website. Don't forget to share your own innovations! This year's Awards Program will be accepting submissions [2] through end of day, Monday, March 31, 2025.
