CU Innovation & Efficiency Awards: Last Week to Submit [1]

March 29, 2023

This is your last week to submit your innovative practices for recognition, sharing, and a possible cash prize in the 2023 CU Innovation & Efficiency (CU I&E) Awards Program [2].

This year's submission period will close March 31 -- coming up fast!

- But the good news is - since that date is a Friday - we are keeping the submission form open through the weekend.

On Monday morning, April 3, we will close out the 2023 submission form and begin the difficult process of selecting semifinalists, and subsequently award winners, from the pool of all submissions.

The submission process is pretty straightforward:

- Watch our short video and learn about program requirements [2].
- Fill out the submission form for your own project.

Questions? Contact CU I&E Awards Program Manager Fran Chapman [3].
