Ryan Day - CPE Instructor [1]

Ryan Day is a Grants Senior System Analyst for University Information Services at the University of Colorado. He previously served as a Financial Systems Analyst in the Office of University Controller.

Prior to working for the University of Colorado, Ryan honed his Microsoft Excel skills using advanced data set techniques as a mortgage-backed securities analyst. He is versed in a number of methodologies that can help any user become more proficient with Microsoft Excel.

Ryan obtained his Bachelor's of Business Administration in Finance from the University of Colorado Denver.
