Card-Accepting Merchant Guidelines

The Treasurer's Office, in conjunction with each of the University's campuses, has drawn up requirements and guidelines for University units wishing to accept card payments (debit, credit and prepaid cards) for the purchase of goods, services or activities. A good place to start is with these two documents

- Card Merchant Acceptance Business Practices Checklist [4]to give an idea of the business practices that should be in place before a department can apply to accept card payments.
- Credit Card Acceptance [5]overview to give an idea of the alternatives, costs and responsibilities of payment card acceptance.

Please contact us [6] directly for more information about payment card acceptance.

Donations to the University

Donations and gifts are accepted for the benefit of the University by the University of Colorado Foundation, Inc. If you would like to make a donation, or just learn more, please visit the CU Foundation's website [7].
