

## How to Connect to Eduroam with on an iPhone or iPad

### PURPOSE:

- How to connect to eduroam with iOS

### How to Connect to Eduroam with iOS:

<p>Go to <b>settings</b>.</p>	
<p>Select <b>Wi-Fi</b> to access your Wi-Fi Networks.</p>	

# UIS SERVICE DESK

## WIRELESS & NETWORK

<p>Once the available Wi-Fi list has populated select <b>eduroam</b>.</p>	 <p>A screenshot of an iPhone's Wi-Fi settings page. The time is 11:34. The page title is 'Wi-Fi'. The Wi-Fi toggle is turned on. Under 'CHOOSE A NETWORK...', several networks are listed: 'CUSystem' (checked), '4CODENHOFFERS', 'CRAEngineer', 'CUSYS-Guest', 'eduroam' (highlighted with a red box), and 'Other...'. Each network has a lock icon and an information icon.</p>
<p>You will be promoted to enter your credentials for your system account.</p>	 <p>A screenshot of an iPhone's password entry screen. The time is 11:19. The prompt says 'Enter the password for "eduroam"'. There are 'Cancel', 'Enter Password', and 'Join' buttons. Below the prompt are two input fields: 'Username' and 'Password', both highlighted with a red box. A keyboard is visible at the bottom of the screen.</p>

<p>After you enter your credentials, it will pop up with this certification. <b>Click trust</b> in the upper right hand corner.</p>	 <p>11:20 Cancel Certificate Trust p03gdc01.ad.cu.edu Issued by COMODO RSA Organization Valid... Not Trusted Expires 12/17/20, 4:59:59 PM More Details</p>
<p>Once you have clicked trust, you will be connected to the Wi-Fi network.</p>	 <p>11:20 Settings Wi-Fi Wi-Fi eduroam CRAEngineer CUSYS-Guest CUSystem Other... Ask to Join Networks Known networks will be joined automatically. If no known networks are available, you will have to manually select a network.</p>
