

Step-by-Step Guide

ePER Summary by PI Report

What is the ePER Summary by PI report?

The ePER Summary by PI report is issued to every Principal Investigator (PI). It focuses on a particular semester, and shows the projects for which the PI is responsible. The report lists all individuals who must certify effort on the respective projects and indicates whether or not the effort has been certified.

Why should you review this report?

A PI should review this report to see who has finished certifying her or his effort and who has yet to complete this important task.

How do you run this report?

First, log in to your campus portal:

Boulder – <https://portal.cusys.edu/MyCUInfoFedAuthLogin.html>

Colorado Springs – <https://portal.cusys.edu/MyUCCSFedAuthLogin.html>

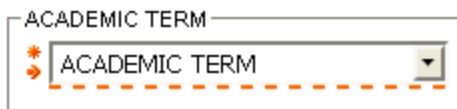

Denver – <https://portal.cusys.edu/UCDAccessFedAuthLogin.html>

System Administration – <https://portal.prod.cu.edu/SYSFedAuthLogin.html>

Select the **CU Resources** tab. Then select **Reporting**.

Click on **Public Folders** → **ePERs** → **ePERs Summary by PI**.

Select the **Academic Term** for which you are reviewing from the drop down menu.

A screenshot of a web form showing a dropdown menu labeled 'ACADEMIC TERM'. The dropdown is open, showing the text 'ACADEMIC TERM' and a small downward arrow icon. There are orange dashed lines around the dropdown area.

Enter your last name, or the name of the PI for the projects you are reviewing, in the keywords field and click search.

A screenshot of a web form showing a search field labeled 'PRINCIPAL INVESTIGATOR'. Below the label is a text input field containing the text 'smith'. To the right of the input field is a 'Search' button with a magnifying glass icon. Above the input field, the text 'Keywords:' is displayed in blue, followed by the instruction 'Type one or more keywords separated by spaces.' in a smaller font.

Select the correct name from the list of names that are returned, and **click**

A screenshot of a button labeled 'Insert' with a green plus icon.

Click

A screenshot of a button labeled 'Finish'.

Elements of the report:

- Report Header** – provides information about the report, including the University of Colorado logo, report title, etc. Pay particular note to the Semester and the Fiscal Year. The report in the example above is for the Fall Semester 2006. (Fall Semester 2006 is within Fiscal Year 2007.).
- Empl ID** – lists the Employee ID for each individual needing to certify effort.
- Empl Name** – lists the name of each individual needing to certify effort.
- Position Num** – indicates the position number of each individual needing to certify effort.

Step-by-Step Guide *ePER Summary by PI Report*

5. **Spd Key Code** – shows the SpeedType to which the effort was charged
6. **Amount** – indicates the dollar amount being charged to the SpeedType in accordance with the effort being performed.
7. **Pay Pcnt** – indicates the percentage of the individual's total effort being charged to the respective SpeedType.
8. **CS Pcnt** – indicates the cost share amount.
9. **Pay w/CS Pcnt** - shows the combined effort percentage of both the pay and the cost share components for the SpeedType indicated.
10. **Cert Pcnt** – indicates what percentage of the effort has been certified. (The number in column 10 should equal the number in column 9. If this is not the case, then the effort has not yet been certified correctly.)
11. **Project** – shows the project number, the project name, and the project sponsor.
12. **Line Showing Cost Share Pcnt**– indicates that this employee has only cost share effort on Project 1536138. The “0” value in Column 10, “Cert Pcnt,” indicates that the cost share effort has not been certified.
13. **Line Showing Pay Pcnt**– indicates that this employee has only paid effort on Project 1536138. The “0” value in Column 10, “Cert Pcnt,” indicates that the paid effort has not been certified.

How to read your report: identifying and handling potential issues

Review the report paying particular attention to the numbers in Column 9 and Column 10. If these numbers differ, it means that effort has not been certified properly and the Principal Investigator must assure that appropriate and timely corrective action is taken.
