### **Good News: Provisioning**

- **Congratulations:** Thanks to Melanie Jones and Daniella Torres, as well as the MEC team, we were able to complete provisioning in record time (the fastest turnaround ever!). Melanie and Daniella were able to streamline processes, and when combined with MEC review and approval, as well as prioritization of SkillSoft completion, we had great results. Thanks to everyone on the team for making this possible.

### **eComm User and License Management Policy**

- **Update:** We received some great feedback from the team during last week's review of the [eComm User and License Management Policy](#) <sup>[3]</sup>. We made a few changes to the provisioning section, including breaking out information into Provisioning Submission and Provisioning Approval.
- **Action:** Please review the sections titled [Provisioning Submission](#) <sup>[4]</sup> and [Provisioning Approval](#) <sup>[5]</sup> and let us know if you have any further edits/comments by July 10.

- **Reminder:** Please review the dashboards for your campus and contact [Melanie Jones](#) <sup>[6]</sup> if you see any errors or missing business units. In order to keep the dashboards scalable, we will not be adding additional components at this time.
