

Elevate: FIN Upgrade - New Video Demonstrates Worklist ^[1]

October 3, 2015 by [normandy.rodén](#) ^[2]

^[3]Journal Entry and other Approvers will get some help in the upgraded PeopleSoft Finance System, thanks to the FIN 9.2 Worklist.

Your Worklist is a helpful new feature in FIN 9.2.

Get a quick overview of your Worklist and how to use it in our new video, **FIN 9.2 How-To: Worklist** ^[3].

Your Worklist keeps track of items awaiting your review and approval.

In FIN 8.4, how do you find out you have a journal to approve? The journal creator emails you ... calls you ... or stops by to see you ... and tells you the journal ID.

FIN 9.2 is different. When an individual submits a journal that requires your approval, the Finance System sends you an email with a link. Click the link - go to the journal.

Deleted your email message? That's OK - just log in to FIN 9.2 and click on your Worklist. Now you can see a list of all the journals awaiting your approval. Click on a link and go directly to that journal.
