

OUC Welcomes New Cognos Reporting Staff ^[1]

June 27, 2013 by [normandy.roden](#) ^[2]

Welcome, Sarju Khadka! Sarju joined the OUC in early June, bringing an extensive background in Cognos report-writing to our University-wide m-Fin project. She will work closely with our Associate Director for Reporting Systems, Carl Sorenson. A certified Cognos developer, Sarju is also completing her CPA. She and her husband are relocating to Colorado from Minnesota, where she worked for US Bank. We are delighted she's now here at CU!
