

PSC Website Updates Coming April 3rd ^[1]

March 27, 2024 by [Staff](#) ^[2]

We are excited to announce that on April 3, 2024, the PSC website will undergo a significant upgrade focused on improving key areas: Get Help, Travel, and Paying. These updates are designed to enhance your experience and make accessing vital information more intuitive.

- In **Get Help** you'll find a new video library, pages providing information about Concur and Marketplace, and a link to the PSC knowledge base.
- The new **Paying** area includes important information on purchase order invoices, non-purchase order payments, cancelling and reissuing payments, and AP international payments.
- The new **Travel** area walks the traveler through the entire process with pages organized by the following stages "Before you Travel", "Booking Travel", "During Travel", and "Returning from Travel".

Please review and update any bookmarks or shared links to the PSC site once the changes go live. We are eager to bring you these enhancements and confident they will streamline your interactions with our services.
