

SET Update | Out of office ^[1]

June 5, 2017 by [Kate O'Connell](#) ^[2]

Kate will be out of the office and attending a conference June 21st - 23rd. If you have a question or need support, please create a TaskRay task and "@" Kate in it. She'll get back to you ASAP.

Be sure to include helpful information like the name of your event or your Marketing Cloud business unit in the help ticket. This will ensure that you receive the best, and fastest, support.

If you do send Kate an email or leave her a voice message, she'll follow up as soon as she is able or when she returns to the office on June 26th.

In the case of a critical emergency, and a critical emergency only, please contact Melanie Jones at melanie.jones@cu.edu ^[3].
