

Employment law notices now available in the employee portal ^[1]

September 14, 2021 by [UIS Communications](#) ^[2]

The Department of Labor (DOL) requires that every workplace provides its employees with proper employment notices. To ensure compliance for not only our local employees but those who complete work outside Colorado, CU System has purchased and posted electronic employment law notices in the employee portal.

Please note: As a public employer, not all laws may be applicable to CU. More information about this will be released at a later date.

Where can you find employment posters?

All employees now have access to the employment law posters through the employee [portal](#) ^[3].

1. Visit my.cu.edu ^[4]
2. From the top drop-down menu, click **My Info and Pay**.
3. Click the **Employment Law Posters** tile.

CU employees can then view employment laws for the state in which they complete their work.

For more information about employment law posters and workplace compliance notices visit the [Department of Labor](#) ^[5].
