Payment of Wages Owed

Payment of Wages Owed

All employees are entitled to a timely and accurate wage payment. This requires that off-line and online approvals at the campus level, if needed, are completed by payroll deadline dates and that campus department Human Resources Management System entry is timely, complete, and accurate.

Use the [campus payroll calendars](#) [1] to find a list of departmental approval and data-entry deadlines that must be met to assure timely and accurate wage payments.
