Skillsoft Training Access

Improve your skills and increase your knowledge with SkillSoft learning resources.

To access SkillSoft:

1. Log on to [your campus portal](#) [1].
2. Click on the **CU Resources** tab. (Skip this step if you are using the system portal.)
3. Select **Training**.
4. Select **Start SkillSoft**. (SkillSoft will open in a separate window.)
5. Select your campus folder.
6. Select the specific folder you need, organized by topic.
7. Select the title of the course and click **[Launch]**.

Note: For a Web-accessible version of SkillSoft, please contact Employee Learning and Development, system.training@cu.edu [2]

Resources

Click the buttons below if you are having trouble with SkillSoft, would like to view a catalog of course offerings, or would like to view the frequently asked questions.

Dashboard

The dashboard provides a summary of course completion data in SkillSoft. The dashboard is an aggregated chart of course completions since implementation of SkillSoft on January 1, 2009 - June 30, 2012. Unique data is associated with course completions for each campus.
