WISDOM GO WARD INTO THE

**Harnessing the timeless wisdom of the past to cultivate the agility needed
for today's ed tech landscape**

On the fast-forward trajectory of technology, COLTT pauses in 2024 to look back to remember that change is a constant. When technology causes disruption, it often brings solutions as well. The COLTT community can best prepare for what's ahead by drawing on the wisdom cultivated over years of convening, exchanging, and experimenting.

Vendor sponsorship for the COLTT 2024 conference is now available!

Vendors will have the opportunity to meet in-person with higher education faculty and staff from across Colorado at the CU Boulder campus on August 1 with a pre-conference option on July 31.

COLTT will again host a happy hour event on August 1.

Sponsorship levels and descriptions are below. Visit our [registration](#) ^[2] page for more information. Please contact jaimie.henthorn@cu.edu ^[3] with any inquiries.
