

Jane King ^[1]

Accounting Services - Senior Financial Accountant

As part of the Accounting Services team, Jane is responsible for supporting the University's mission by providing timely, accurate and relevant financial information to the University's fiscal employees; supporting and developing financial accounting information systems; and promulgating clear, practical guidelines to assist the University community in dispensing fiscal responsibilities through these systems while adhering to the requirements of University, state, and federal laws, rules, and procedures. Responsibilities include cost sharing events, creating monthly, quarterly and annual financial reports, yearend exhibits/schedules, assisting with annual audit, and the accounting and reporting for the University of Colorado Real Estate Foundation.

Questions Jane Can Answer

- Monthly financials and data tables
- Quarterly report for Regent Audit Committee
- Year-end calendar

Facts

- Graduated from UCCS with an MBA, from Regis University with a BS in Accounting.
- Has her Colorado CPA license with 6 years experience in governmental accounting and 30 years experience in public accounting.
