

Kyla Jones - CPE Instructor ^[1]

Kyla Jones is the Controller for Regis University, a private higher education institution in the Denver area. She obtained her Bachelors in Accounting and Management from Regis University and has a Master's in Business Administration from the University of Colorado Denver. She is also a registered CPA in the state of Colorado.

Prior to joining Regis University as Controller, Kyla worked for the University of Colorado in the Finance Office for Denver Campus and Anschutz Medical Campus, as well as in the Department of Medicine on the Anschutz Medical Campus. She provided many trainings across campus during her time with CU. Kyla also has a background in public accounting, working with clients in higher education, state and local government, and telecommunication companies.
