

Michael Edwards - CPE Instructor ^[1]

Michael Edwards is the Motion & Graphic Designer at the University of Colorado, Office of University Controller.

Michael is responsible for creating videos and designing graphics that help educate the University community about fiscal policies and procedures. His work involves motion design, graphic design, photography, and videography projects.

He originally started working for the University at CU Online in 2010, and joined the OUC in 2015. After several years producing videos and animations for numerous clients in Columbus, Ohio, Michael rejoined the OUC, moving back to Colorado, in 2020.
