

## **Certifying Electronic Personnel Effort Reports (ePERs)** <sup>[1]</sup>

**Effective Date: 09/04/2012**

### **Purpose**

#### **What is an ePER? What is Certification?**

If you work on a sponsored project, you are required to certify effort on that project. Certification provides assurance to the sponsor that the effort being put into a project matches the effort paid by grant funding.

### **Campus ePER Contacts**

For questions on your PER or the effort reporting process.
