

About Employee Services ^[1]

Employee Services is dedicated to making the University of Colorado a better place to work.

The department delivers services designed to meet the university's needs by delivering quality benefits coverage and retirement plans, accurate and timely payroll and taxation, leadership development and learning opportunities, human resources guidance and best practices. We strive to make CU's workforce strong, healthy and financially secure.

Employee Services accomplishes this by developing productive relationships and collaborating with the campus community and external partners to advance the university's mission.

The department leverages its expertise to provide the university community with a satisfying, comprehensive experience – promoting understanding and use of our services through educational outreach, excellent customer service and user-friendly technology.
