Vision Plans [1]

If you're eligible to enroll in a CU eye care plan, the university offers CU Health Plan - Vision.

As a member of this plan, you may receive annual routine eye exams, and eyewear and contacts every two years. You'll have access to a national network of independent and retail providers.

Starting July 1, 2014, this plan requires a two-year commitment; if you enrolled in CU Health Plan - Vision for the 2014-15 plan year, you will remain in the plan through June 30, 2016.
