

Lactation Rooms ^[1]

As a new mother, sometimes you need a little privacy to best take care of your little one. That's why we offer lactation rooms on each campus.

Here's where to find them:

- **CU System:** There is a lactation room on the southeast corner of the first floor, near the break room and showers. You can book the room through the [building's booking software \(password required\)](#) ^[2] as a meeting space on the first floor. Access to this room requires a code and can be requested by emailing systemhr@cu.edu ^[3]. Learn more about System Administration accommodations in our [lactation policy](#) ^[4].
- **CU Boulder:** Visit the [campus resources page](#) ^[5], and click on "Parenting & Childcare" for a list of lactation rooms.
- **CU Denver:** [See a full list of lactation rooms.](#) ^[6]
- **CU Anschutz:** [See a full list of lactation rooms.](#) ^[7]
- **UCCS:** There is a lactation room in University Center, Room 300 D.
