Employee Payroll ^[1]

The University of Colorado's Payroll Department works to ensure all employees are paid correctly and on time. This is completed through a team that continually works toward assisting employees and department payroll representatives.

All employees should set up a direct deposit to receive their pay. Currently, you can do this by completing the [Direct Deposit Authorization Form](#) ^[2]. For information pertaining to you specifically, start by selecting your employee group type. If you are new to the University of Colorado, please start by visiting the [New Employee Homepage](#) ^[3].
