## Current Status of Fall 2017 Tuition Waiver

All Fall 2017 applications have been processed, and tuition bills have been adjusted. Please contact your campus Bursar's Office if you have not seen a tuition bill adjustment.

We are not accepting Spring 2018 applications at this time. Please review your campus's Tuition Benefit page for details, and check back on our website in December 2017 when the Spring 2018 online application will be posted.

As a leader in education, we value strong, curious minds and continued growth ? not just for our students, but for our dedicated workforce as well.

That's why we provide qualified employees and dependents with tuition waiver assistance for up to 9 credit hours per aid year and offer dependents of CU Boulder employees a 30 percent discount.

Do you dream of earning a degree? Do you crave more learning in your career field? Is there a subject you'd just love to know more about? Whatever your goals, we're here to support you. Find out how it works by reviewing the information below.
