[Home](#) > Employee Services (HR, Benefits, Payroll)

---

- **Benefits**

Providing university staff and faculty with excellent health benefits, a variety of retirement plans, life and disability insurance.

- **Employee Learning and Development**

Providing university-wide development and administration of quality learning programs to maximize job performance and satisfaction for faculty, staff and student workers.

- **?Human Resources**

Delivering HR services to the employees in the Office of the President, working in conjunction with campus HR directors to identify policy changes and manage training compliance. HR plays a role in recruiting outstanding employees to the University of Colorado's four campuses and system office.

- **Payroll**

Ensuring accurate and timely payroll and leading university-wide pay and time collection.

- **Technologies**

Providing technical expertise for Human Resources Management Software, Jobs at CU and other systems.

- **International Tax**

Helping CU's international employees to navigate U.S. tax laws and related issues.
