2010 Recipient

Laura M. Argys, Ph.D., professor of economics and associate dean for research and creative activities in the College of Liberal Arts and Sciences. As associate dean, Argys has responsibility for policies and resources related to faculty scholarship, and external funding for

research and educational opportunities. In addition to her work promoting research and creative activities within the college and across the university. Argys has provided leadership for nearly a decade representing faculty interests in areas of budget and planning.

2009 Recipient

Barbara A. Gaddis, Ph.D., director of the Office of First Year Experience at the University of Colorado Colorado Springs, received the first Excellence in Leadership Award. The Office of First-Year Experience helps freshmen and transfer students acclimate to the university experience. Gaddis is a chemistry professor at UCCS and also serves as director of Excel Centers and director of student retention.
