Faculty Housing Assistance Program

The University of Colorado and the University of Colorado Foundation are pleased to partner together to offer the Faculty Housing Assistance Program (FHAP). There are now two types of down payment assistance loans available to eligible faculty selected by the University to participate in the FHAP.

Program Overview

The Faculty Housing Assistance Program is designed to:

- Attract and retain faculty by improving the affordability of their primary residence.
- Provide support for new faculty who have very limited access to cost-effective financial capital resources.
- Offer financial housing assistance to faculty of CU-Boulder, CU Denver | Anschutz Medical Campus, and UCCS.

Participating in the FHAP can make housing more affordable by providing a source of financial assistance for a down payment needed to qualify for a loan and potentially avoiding the cost of private mortgage insurance.

Application Process

If you are interested in applying for an FHAP Loan, review the [program description](#) [11] and complete and sign the [application worksheet](#) [12]. Attach the signed Applicant Worksheet as a PDF and email to FHAP@cu.edu [13].
