Learning Guides ^[1]

Consult one of our prepared **Learning Guides** to jumpstart your self-guided learning experience, or use the SkillSoft [course catalog](#) ^[2] to craft your own unique syllabus.

Knowledge Centers are up-to-date resources available to point you in the right direction if you are interested in Business, Java, Management or Oracle. They are a powerful aid to learners of any skill level. Find Knowledge Centers in the SkillSoft in the left hand toolbar.
