### Retirees from the University of Colorado

Retired employees selecting the Alternate Medicare Payment (AMP) must submit a W-4 Form and a Direct Deposit Authorization form through [the employee portal](#) <sup>[2]</sup>. All retirees receiving AMP payments will receive a W-2 tax statement at the end of each tax year.

### University of Colorado retirees returning to work at CU

If you are already receiving Social Security benefits and you begin working for the university in a Social Security-/Medicare-eligible position, you must pay into Social Security and Medicare. Find more information about [CU retirees returning to work](#) <sup>[3]</sup>.

### Retirees from any PERA-affiliated employer starting work at CU

If you are a PERA retiree from a PERA-affiliated employer, you must contact Employee Services and identify yourself as a PERA retiree. This ensures your taxes, deductions and retirement status will be recorded correctly. Learn more about [working after retirement as a PERA retiree](#) <sup>[4]</sup>.

You must submit monthly leave records showing exception time, including all leave usage. Exempt employees do not have to report specific hours worked (i.e., time in and out). Non-exempt employees must document all hours worked and exception time including leave usage.

CU has multiple options for documenting hours worked and exception time; please verify with your department how it records time, and follow that procedure. Both the employee and his/her supervisor must sign the leave record verifying the accuracy of leave usage and balances.
