

Personnel and Benefits Committee ^[1]

The Personnel and Benefits Committee considers policies in the general area of university faculty personnel compensation and benefits including:

1. faculty salaries;
2. general policies on tenure, promotion and privilege of faculty members;
3. sabbaticals and other types of academic leave;
4. travel allowances;
5. retirement annuities, insurance, sick leave, health benefits and other benefits;
6. personnel and benefits decisions due to program discontinuance. Specifically, the Personnel and Benefits Committee monitors the efforts made by the university in balancing diversity considerations in termination decisions and in finding suitable positions for displaced faculty members within the university.
