CU raises \$258.8 million in 2012-13, a record for private support ^[1]

July 22, 2013

A University of Colorado Eye Center preparing to double its patient capacity at the CU Anschutz Medical Campus. An unprecedented endowment for a jazz studies program on the Boulder campus. A research and clinical hub for veterans coping with trauma-induced mental health issues on the Colorado Springs campus. An endowed lecture series at the Denver campus that will narrow the gap between high-tech advances and the public's understanding of them.
