The Office of Government Relations supports the University of Colorado by building effective partnerships between the university and state and federal governments. This is achieved through representation and

Custom text

The Office of Government Relations coordinates liaison between the university and its federal legislative, executive, and judicial branches. The office also provides organizational and administrative support for the university's federal government relations efforts. The office also provides higher education research and policy analysis. During the legislative process, requests for federal legislation, executive orders, or rulemaking, be routed through the federal relations team member assigned to the campus impacted by your request.
