

Federal Relations ^[1]

The Office of Government Relations serves as a liaison between the university and federal officials, national organizations, and government entities on issues related to higher education and research. During the session, it would be helpful if all federal relations requests including Hill visits, pending legislation, or rulemaking, be routed through the federal relations team member assigned to the campus impacted by your request.

Government Relations Contacts By Campus

- CU Boulder: [Jack Waldorf](#) ^[2], Assistant Vice President of Federal Relations & Outreach and [Heather Bené](#) ^[3], Director of Federal Relations
