Department Body

The Office of Policy and Efficiency (OPE) oversees the president's universitywide administrative policymaking process; facilitates the development, review, approval and maintenance of universitywide administrative policy statements (APSs); and acts as the official repository and point-of-contact regarding APSs. OPE also supports the formal review of regent laws and policies.

Policies Currently Under Review

REGENT LAWS AND POLICIES

The Board of Regents are in the process of reviewing all regent laws and policies. For a list of laws and policies currently under review and changes recently approved go to the regent laws and policies review website [1]. Click here [2] for latest news on regent laws and policies.

ADMINISTRATIVE POLICY STATEMENTS (APSs)

APSs are enacted by the president of the university in accordance with defined processes to provide operational requirements to the entire university community and delegate authority to officers of the university and the administration. See quick links below for latest APS information.
