The Office of Policy and Efficiency provides access to university policies, latest policy news or changes, and supports efforts to increase efficiency and effectiveness in university policies, processes and practices.

POLICY

With input from system policy managers and campus policy liaisons, OPE maintains the university-wide policy making process; facilitates the development, review, approval, communication and maintenance, of university-wide policies; and acts as the official repository and point-of-contact regarding university-wide policies.

EFFICIENCY & EFFECTIVENESS

OPE initiates and supports efforts to increase efficiency and effectiveness at system administration and the University.
