

## Formatting Standards for Administrative Policy Statements <sup>[1]</sup>

### Font

- Use New Times Roman
- 10 font for body
- 12 font bold for Title section.

### Definitions

- Glossary definitions will be *italicized*.
- Definitions contained in the APS will be underlined.

### Hyperlinks

- Formatting for hyperlinks should be blue and underlined ? i.e. Regent Policy 2-k<sup>[2]</sup>
- Related policies, procedures, laws, etc. should be specific and linked, if possible.

### Outline Formatting

- Standard outline form should be used, starting with large roman numerals. (I., A., 1, a, i, then bullets, if necessary)
- The policy template is pre-formatted with this outline format.

### Emphasis

- Underlining and *italicizing* will not be used for emphasis in the APS. You may **bold** an item for emphasis if it is needed.

### Style and Grammar Guidelines:

- The Chicago Style Guide has been adopted for the basic style guidelines for the President's Administration Policy Statements. Click here <sup>[3]</sup> for more information.

Examples of common style items include:

- When to capitalize University ? i.e. capitalize if it is referring to the University of Colorado but not capitalize if it refers to the university without the complete name.
- When titles should be capitalized (Chancellor, President, Dean, etc.)
- Numbers less than 10 should be spelled out; greater than nine should be numeric.

- Do not repeat a number in parenthesis (three (3)).
- Do not begin a sentence with a numeral.
- Spell out a fraction. However, quantities consisting of both whole numbers and fractions should be expressed as numerals. (two-thirds; 1 2/3)
