

## **CU Marketplace Resources for Shopper Role** <sup>[1]</sup>

The following information is supplemental to the CU Marketplace: Shopper Skillsoft course and may be helpful as you shop in the CU Marketplace.

### **PSC Website**

The [PSC website](#) <sup>[2]</sup> contains information on procurement policies, procedures, and learning resources, including:

- [PSC Procedural Statement Sensitive Expenses](#) <sup>[3]</sup>
- [PSC Procedural Statement After-the-Fact Purchases](#) <sup>[4]</sup>

### **Take the courses and request access**

The Information Security and Privacy Awareness online course is required for this role. For more information see [Access & Training Requirements](#) <sup>[5]</sup>.

This course is delivered online in Skillsoft. Log in to your campus portal and on the **CU Resources Home** tab, click the **Skillsoft** tile.

[Launch the CU Marketplace - Shopper course.](#) <sup>[6]</sup>

When you've completed the required trainings, your department will request your access using the [CU Identity Manager \(OIM\)](#) <sup>[7]</sup>. You'll receive an email notification when you have access.

### **Commodity Listing**

The [Commodity Listing](#) <sup>[8]</sup> is a good starting place for any purchase. Several commodities link to How to Buys, that outlines procurement options and procedures.

### **Understanding your new Role**

As a Shopper you're authorized to create shopping carts to select goods and services. You must assign shopping carts to a Requestor for completion. You're able to:

- Create shopping carts to select goods and services; and
- View your own orders, invoices, and requisition history in the CU Marketplace.

### **Refer to the Learning Resources**

The [CU Marketplace Training page](#) [9] on the PSC website has step-by-step instructions to help you shop.

## Updating Your Profile

When you have access, you should login and update your CU Marketplace profile. You can add frequently used [SpeedTypes](#) [10] and [Ship To Locations](#) [11] to make your shopping experience more convenient.

## Shopping

When shopping in the CU Marketplace, you'll use a catalog or a form to add goods and services to your shopping cart.

- Whenever a catalog is available, you'll find CU-specific items and prices from contracted suppliers. You'll find [shopping by catalog](#) [12] similar to online shopping.
- If the good or service is not available from a catalog supplier, you'll need to use a form within the CU Marketplace. [This guide](#) [13] will help determine which form is appropriate. You'll find step-by-step instructions for completing each form on the CU Marketplace Training page.

## Assigning Shopping Carts

Since Shoppers in the CU Marketplace are unable to submit shopping carts, a Shopper may assign a shopping cart to a [Requestor](#) [14] to process.

You'll find many more guides on [CU Marketplace Training page](#) [9], including:

- [Searching for POs](#) [15]
- [Viewing Invoice Images](#) [16]
