How To Buy: Audio & Video Equipment [1]

[2]

For guidance on audio visual services, consultation, design, procurement, and installation, please visit your campus AV page below.

- CU System - PSC [3]
- CU Boulder [4]
- UCCS [5]
- CU Denver / Anschutz [6]

Purchase your Audio Visual (AV) equipment and supplies through the **recommended suppliers** currently on University contract, listed below using a requisition.

You *may* purchase from **Non-Contract suppliers**, *IF*;

- They accept University Purchase Orders
- They are reputable and are in good business standing
- Their item and shipping prices are reasonable
- Total amount does not exceed our bid thresholds.

Things to Remember when **Choosing a Non-Contracted Supplier:**

- Suppliers who are required to come on campus;
    - Must provide necessary insurance forms prior to installation or work beginning
    - Any **Facility Modifications** *MUST* be approved by your campus **Facilities Management** department **PRIOR** to obtaining a quote or beginning the procurement process.
- All AV purchases are required to meet the **Purchasing Guidelines and Best Practices** per dollar amount thresholds.
    - Supplier's quotes should clearly line item out each piece of equipment separate from labor or installations costs.
- The University of Colorado is committed to providing equipment that is accessible to everyone, including individual with disabilities. AV equipment must meet the Americans
