

Delegate Authorization (DA) ^[1]

Effective Date: 12/22/2015

Purpose

The Delegate Authorization form is two forms in one with two tabs along the bottom: one to add delegates and another to delete delegates.

Only have a few delegates to add or delete? You should make those delegate changes within the Concur Travel & Expense System. Refer to the [Step-by-Step Guide Identifying Delegates](#) ^[2] for further information.

Use the ADD Delegates form to:

- Identify a delegate for **25 or more** individuals.
- Add a delegate for everyone in an org unit, by using org unit # instead of listing the names of each individual.

Use the DELETE Delegates form to:

- Delete a delegate's delegation list in its entirety, when a delegate leaves the University or no longer needs to act as a delegate for anyone. (This helps to keep delegation lists clean.)
- Delete a delegate for everyone in an org unit, using org unit # instead of listing the names of each individual.
- Delete select delegations for **25 or more** individuals.

Delegates: You can delete your own delegators within the Concur Travel & Expense System. Refer to the [Step-by-Step Guide Deleting Delegates from Your Delegation List](#) ^[2] ^[3] for further information.
