## How to Buy Moving Services <sup>[1]</sup>

This commodity includes employee (faculty/staff) relocation and moving services. **Note** that policy requires departments to obtain at least two written proposals (quotes) for all moves. **The University agreement for moving services with North American Co. ? Great Plains Moving and Storage, Buehler Moving and Storage, and Johnson Storage and Moving Co. is mandatory.** Proposals must be from the suppliers on the list below and should include a "guaranteed not to exceed" dollar amount. Choose the lower (lowest) quote and reference the supplier, address, and contacts below. If there are any issues or concerns affecting a move, contact the purchasing agent immediately.

Arrangements for site surveys through the supplier contacts listed must be done at the earliest possible time in order to ensure that the move dates can be met. Peak move times (summer months) are booked quickly, and this will impact the mover's ability to meet the incoming employee's expectations.

For information on employee relocation expense reimbursement, see [Employee Services Procedures Guide](#) <sup>[2]</sup> (section on Moving Relocation) for the University of Colorado policy on moving expense reimbursement.

### Procurement Options and Procedures

- **Quote \$5,000 or less:** After obtaining at least 2 written quotes from the suppliers listed below, choose the lowest quote and submit a Purchase Requisition through the CU Marketplace. The department needs to retain all quotes.
- **Quote above \$5,000:** After obtaining at least 2 written quotes from the suppliers listed below, choose the lowest quote and submit a Purchase Requisition through the CU Marketplace. Attach the lowest quote as an EXTERNAL attachment. Attach the other quotes as INTERNAL attachments. The purchasing agent needs all quotes.

### Supplier Information

The University Price Agreements established with the following suppliers offer CU departments substantial discounts on moving services. These suppliers offer moving services capabilities to the 49 continental United States (including Alaska) as well as to Canada.

**Note:** It is essential that the department staff/incoming faculty member NOT contact a moving service on their own at the faculty member's place of origin. Instead, the Denver moving entities listed below must be contacted in order to obtain quotes. The Denver companies will coordinate with their branch offices at the faculty member's local level. Modifications to a move already quoted MUST be communicated to all companies that have provided quotes, so that valid re-quotes may be prepared by all parties. Quotes from moving companies other than those listed below will not be considered.
