Policy 7B: Student Government Reporting Responsibilities

[1]

It is the intention of the Board of Regents that student governments on each campus are to be responsible to the chancellor of that campus, with the right to appeal to the president, and then to the Board of Regents any dispute or disagreement with the chancellor.

It is the further intention of the Board of Regents that within this framework the chancellor shall assure student governments of maximum flexibility to conduct their affairs consistent with campus policies and procedures, the laws of the Board of Regents, and the laws of Colorado.
