CU vehicles

The University of Colorado provides property damage and liability insurance for vehicles titled to the CU regents or leased by the university. CU employees in the course and scope of their employment are covered for their alleged or actual liability resulting from automobile accidents while driving vehicles owned or leased by the university. A \$1,000 per loss property damage deductible is applicable.

Rental vehicles

University of Colorado employees renting vehicles for official business, in most cases, are required to:

- Rent the vehicle from a state approved vehicle rental agency. See the [State of Colorado Price Agreements](#) ^[2] and click on "Automobile Rental."
- Procure the rental vehicle by using the CU issued US Bank Visa. See the [Visa Auto Rental Collision Damage Waiver Benefits](#) ^[3].

With the use of the above, you will be able to decline the rental agency collision damage and loss damage coverage.

In certain countries insurance coverage under the US Bank Visa is not valid. Please contact Visa at 1-800-VISA-911 to verify insurance coverage and exclusions.

*Note that some countries, such as Mexico, may legally require the purchase of additional insurance coverage. This expense is eligible for reimbursement.

If you have any questions regarding procurement, contact the Procurement Service Center at 303-837-2161 or visit their webpage: [Renting a Car](#) ^[4]
