

## Student Finances and Peer Comparisons <sup>[1]</sup>

Back to [Budget and Finance Office](#) <sup>[2]</sup> or [CU Data Made Simple](#) <sup>[3]</sup>

**ABOUT THIS VISUALIZATION:** Based on IPEDS data, this visualization allows for comparing student finances of CU campuses to multiple peer groups across several data sources. These data include Cost of Attendance (COA) living on and off campus, average tuition rates, and multiple student financial aid measures. Student financial aid measures include the number, percentage, and average awarded aid (federal Pell, institutional, total grants, and loans). This data visualization was created by the CU System Institutional Research. Additional details are provided within the visualization.
