

Student Information Systems ^[1]

Manage the student experience.

When records are in order, students can enjoy their time at CU without having to worry.

All student records are managed within CU Student Integrated Systems (CU-SIS) ^[2], the suite of applications that perform the functions related to student administration, faculty workload and course management for University of Colorado.

Campus Solutions ^[3]

Degree Audit and Transfer Credit ^[4]

International Student and Scholar System ^[5]

Secure File Transfer Protocol ^[6]

Reach out to your Campus Access Coordinator ^[7]
