Mission & Vision ^[1]

Vision statement

As a trusted strategic technology partner, University Information Systems? (UIS) vision is to serve the extended University of Colorado community through proactive customer engagement and innovative solutions to enrich our university.

Mission statement

UIS provides the CU community with an innovative, integrated portfolio of effective, secure, and reliable services encompassing:

- Student Information Systems
- electronic Research Administration (eRA) Systems
- Human Resources Management Systems
- Finance Administration Systems
- Business Intelligence and Data Warehousing
- Administrative Web Portal Services
- Technology Services for System Administration

Professional commitments

As UIS professionals, each of us is committed to:

- Prioritize for **customer value**
- Proactively **own results**, personal and UIS
- Effectively **communicate and collaborate**
- **Go direct** to the person or problem root cause
- **Respect** each other
- Continuously **learn and share**
- **Celebrate** successes and our colleagues
