Enterprise Portal (EP) ^[1]

Overview: Enterprise Portal (EP) is the main point of entry for self-service applications for students, faculty and staff. It is also the main access mechanism for the tools that are integrated under the CU Student Information System (CU-SIS); including [Campus Solutions](#) ^[2], [Cognos](#) ^[3], [Document Management](#) ^[4], [Customer Relations Management \(CRM\)](#) ^[5], [International Student and Scholar Management \(ISSM\)](#) ^[6], [Degree Audit and Transfer Credit \(DATC\)](#) ^[7], [Admissions \(OAO\)](#) ^[8], [Concur Travel & Expense System](#) ^[9] and [CU Marketplace](#) ^[10]. CU campuses have their own main entry portal and a campus-specific prospective student recruiting portal.

Benefits: Some of the benefits of the Enterprise Portal include:

- Single point of access for all university applications
- Branded to the look and feel of the campus with which the employee is associated.
- By having a single point of entry, the cost of implementation for future systems is decreased by providing a seamless single sign on for all systems the user has permissions to access.

Who is eligible to use the service: All students, faculty, staff and anyone interested in attending any campus of the University of Colorado.

How to request access to the service ? Faculty and Staff: For information on how to request access to Enterprise Portal, see the [Access](#) ^[11] website.

How to request access ? Students: Access is granted by signing up as a prospective student or applicant through the online admissions application.
